

## SPMS Top Ten Recorder May 2012 Report

I'm waiting on paperwork from the following meets since last report:

Rose Bowl meet of 2/4

Las Vegas meet of 2/18

Caltech Pentathlon of 3/4

UCI meet of 3/18

UCLA meet of 4/1

Received paperwork from the Santa Clarita meets of 4/14-15 and 5/6.

As reported last month, there was 1 National record set at the UCLA Bruins meet of 4/1. But I still have not received the necessary paperwork.

There are a couple times from that meet that need confirmation – I suspect the times are incorrect. I'm still waiting to hear from Robert Mitchell.

There were 5 National records set at the Santa Clarita Regional Championships (April 14<sup>th</sup> & 15<sup>th</sup>) that have been submitted. However, that meet has several questionable times that I have been trying to resolve with the referee, but I haven't heard from her. So until I get them resolved, the meet will not be uploaded to the USMS meet database.

It took awhile to get the meet results (received 5/3) so the season's SPMS SCY records were reported to Kim Thornton later than could make the upcoming newsletter.

There were 2 National/World records set at the Santa Clarita LCM meet on 5/6 that have been submitted. There are a couple questionable times from this meet as well, so the meet has not been uploaded to the USMS meet database.
