

Southern Pacific Masters Swimming Meet Coordinator Report

Prepared for Thursday, February 20th, 2014 SPMS Committee Meeting

Report Date: Monday, February 13th, 2014

It has been very busy since the last call. We have a swim meet every weekend for the next couple of months. Since the last call I had a meeting where they spoke about marketing and different ways to market your product.

Rose Bowl had a swim meet where some records were broken. This was an excellent swim meet and I rated it a high score.
