Salt Creek Rough Water Swim Sunday, September 18, 2016
<http://www.nadadoresroughwaterswim.org>

I have been working with event hosts to facilitate better and more timely results.

I have updated many of the SPMS Open Water web pages with the help of Mark Moore, Kenny Brisbin, and Dan Wegner. I am still working on updating .pdf documents within the Event Host link.

Newport P2P and Don Burns have online registration through Club Assistant now. Event host is securing a timing system for real-time results at race.

Open Water series awards are being sent out as Open Water Chair receives current contact (shipping) information from award winners.
