SCY Records information:

Men's records are complete for each distance and events through 90-94 age group.
There are no swims for the 95-99 age group.

Women's records for the 90-94 have swims for all events except for 100, 200 fly and 400 IM.
Women's records for the 95-99 have swims for only 50, 100, 200, 500 free and 50, 100, and 200
back

Also, in the USMS database, not all swims have dates attached with them, therefore, for
consistency, the date associated with the record is the end of the season.

Lastly, there is an anomaly in Team Manager for the age group 95-99, it only allows for 95-Over
age group selection.

Respectfully submitted,
