RECENT MEETS

Circle City Masters LC - Sept 7th

This was their first Masters meet it went very well with approximately 81 swimmers in attendance. 6 lanes with one buffer and one warm-up/cool down lane. I heard very positive reviews about this meet. They had a few glitches with the Admin printer due to the heat but was fixed as quickly as possible. They are looking forward to hosting more.

Upcoming Meets Current Status

MVN Meet SCM - Oct 6th

Open and taking entries

UCLA Meet SCM - Oct 27

Should be open by the end of the week for entries. Delay due payment not being received.

Santa Clarita SCM - Nov 10th

While at convention was able to talk to Santa Clarita staff and was able to secure a SCM meet this year. We have not been to this pool in a few years so should be well attended as a prep meet for Regional Championships.
