

Top Ten Report - August 2023

Reviewed and submitted the following SPMS meets and records to the USMS website and database.

- (A) SLOS June LCM
- (B) SBSC June LCM
 - (1) WR Gabrielle Rose, SBM, 45-49W 200 Breast
- (C) CCAT July LCM
- (D) ROSE July LCM
- (E) LAI (Dual Sanctioned) LCM
 - (1) USMS Record, Gabrielle Rose, SBM, 45-49W 100 Breast
 - (2) USMS Record, Gabrielle Rose, SBM, 45-49W 200 IM
- (F) WZ/SPMS Championships @ MVN LCM
 - (1) WR/USMS record, Dan Kirkland, OREG, 75-79M, 1500 Free
 - (2) WR/USMS record, Dan Kirkland, OREG, M75-79, 800 Free

Please remember that if you have a swimmer with dual registration that you can only set USMS records at a USA Swimming meet unless you get a dual sanction or an observed status from USMS on the same meet. You cannot set an AQUA (formerly FINA) World record at a USA Swimming meet.

Hosts, please remember that if you do not have a CTS printer hooked up, you will not get records submitted for a USMS/World Record. They do not accept printouts from inside Hy-tek as any decent admin or computer tech can change these times. Hook up your CTS printer!

The 2023 SCY rankings on USMS were finalized last week.

Please everyone remember to submit split requests if there is the slightest possibility of setting a record or for Top 10. They must be done before the meet ends and cannot be submitted later.

As a reminder, all sanctioned USA Swimming meets are USMS Recognized and although FINA records cannot be set at these meets, times are good for Top 10 and USMS records. If you have a dual registered athlete setting T10 or USMS records at a USA Swimming meet, they must request the meet/times be added.

Paper meet information must be bundled and sent via trackable mail to the Top 10 recorder within 10 days. Recent meet info has taken upwards of 6 weeks, and has been extremely incomplete.
